

In loving memory of the former Chairman of the Johannesburg Region, George Kelly

George Kelly was elected as the Johannesburg Region's first chair following the the re-launch of the SAIPA Johannesburg District at the Bloemfontein conference in 2001.

At the time of his passing he had loyally and dutifully served in SAIPAs structures for many years. He will be greatly missed. SAIPA is saddened to bid farewell to an individual who was fondly regarded as tiny man who had a giant presence.

The Johannesburg District and Region would like to convey its deepest sympathies and condolences to George's family.

May his soul rest in peace.
