

# WELCOME TO EDGE

Less bank, More business.

Edge is an offering by Standard Bank, built to support Accountants and Entrepreneurs by providing digital access to key financial information and business and accounting related solutions.

1

### Power to Accountants

When your SME clients join Edge, you'll enjoy quick and easy access to transactional data in a format that will allow you to produce financial statements, management accounts, cash flow projections and more through your accounting software package.

2

### Power to Entrepreneurs

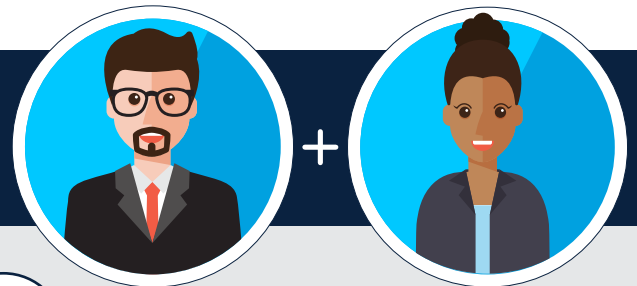

You'll enjoy tailored banking solutions that add value to your business along with the ability to easily nominate, assign or remove permissions to your preferred Accountant enabling them to easily access key financial information and documents.

3

### Easy Loan Applications

Although we don't provide loans directly, we do assist Entrepreneurs in raising personal and business credit through our seamless origination system that pre-populates your application with data pulled directly from your accounts and financials.

## SOLVING CHALLENGES FOR BUSY ACCOUNTANTS + ENTREPRENEURS

### Power of Accountant permissions

Edge enables Entrepreneurs to set relevant permissions to grant their Accountant access to information and services of their choosing.

### Packaging loans

We facilitate funding requirements on your behalf, with loan origination designed for Entrepreneurs.

### Access to statements

Save time with direct access to historic and current statements in formats that can be easily imported into accounting software packages.

### Easy application process

A streamlined application process that is transparent and less admin-intensive to unlock personal and business finance.

### All documents in one place

Quick access to documentation including: FICA, Confirmation of Bank Details, Letter of Good Standing, and Tax certificates such as IT3B and IT3C.

### Single point of contact and responsive service

Your dedicated Edge Consultant will be your sole point of contact into the bank, servicing your entire personal and business portfolio.

## QUALIFYING CRITERIA

Sole proprietors, CCs, or PTYs that have:

- A Standard Bank business account
- Been established for 12+ months
- An annual turnover between R2 million and R50 million.
